

Cornhole Score Sheet

A — Team / player: _____

B — Team / player: _____

Date: _____

Game / court: _____

Event / location: _____

Count → Cancel → Add

Hole = 3 · On board = 1 · Off board = 0. Finish all 8 throws before scoring.

Subtract the lower bag-point score from the higher. Only that difference is added; a tie adds 0.

Example: A has 7 bag points, B has 3 → add 4 to A and 0 to B.

Standard play: 21 or more after a completed round wins. No exact-21 or win-by-two requirement.
